

HOUSE TO HOUSE COLLECTIONS REGISTER 2012

Please check that those collecting money or goods are properly licensed. Below is a list of such permits granted by Erewash Borough Council (and notifications from national collectors holding an exemption certificate). Also listed, where possible, are those Charities collecting Direct Debit donations only, which do not require a permit from the Council.

It should also be noted that collections carried out by commercial companies, where it is made very clear that the collection is for a commercial (not charitable) purpose, are also exempt from requiring a permit.
