Dear Holly

Appeal: APP/N/1025/w/23/3319160 Wulf Management Limited

As a lay person I like to speak at the above inquiry to represent the members of Kirk Hallam Green Squeeze, a local community and environmental group. I understand that ████████ has already mentioned this to you.

I appreciate that permission to speak as an interested party is at the discretion of the inspector but we feel it is important that the concerns of the many hundreds ordinary residents are not overlooked even at this somewhat

technical stage of the planning process.

If you have any information regarding the protocol for those speaking at the hearing it would be most welcome.

Yours sincerely
