Inadequate consideration of the impact on residents in the adjacent local authority. This seems to be a blatant abuse of local boundaries to take credit for housing targets without taking any responsibility for the very real and negative impact on adjacent communities including Spondon.	
Please set out the modification(s) you consider necessary to make the Core Strategy Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above. (Please note that non-compliance with the duty to cooperate is incapable of modification at examination). You will need to say why each modification will make the Core Strategy Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.	
The proposal needs to include clear and specific plans for: - The provision of adequate local facilities including schooling, GP surgeries, shopping, parking.	

- The significant increase in traffic through Spondon and Ockbrook, as well as access to the A52.

Please note in your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions. After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?(*) (Delete as appropriate)	No, I do not wish to participate in hearing session(s)
