Do you consider the Core Strategy Review is sound?(*): (Delete as appropriate)	/ No
Do you consider the Core Strategy Review complies with the duty to cooperate?(*) (Delete as appropriate):	/ No
Please give details of why you consider the Erewash Core Strategy Review is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. If you wish to support the legal compliance or soundness of the Core Strategy Review or its compliance with the duty to co-operate, please also use this space to set out your comments.	
<p>I believe the strategy is unsound and fails to comply with duty to co-operate. Erewash have several sites they could use but instead have decided to build directly backing onto Spondon. This lacks thought for the residents of Spondon. Traffic is already an issue along Dale Road. This will impact on schools, doctors and dentists in Spondon. Spondon has limited access in and out of the village.</p> <p>Also in light of the recent bad weather and predicted impact of climate change and flooding has this been taken into consideration. Will the development have a detrimental impact of the houses near the proposed site. Many areas are now flooding that have not before.</p> <p>It does look like erewash have taken the easy option and not considered the residents of spondon</p>	
Please set out the modification(s) you consider necessary to make the Core Strategy Review legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above. (Please note that non-compliance with the duty to cooperate is incapable of modification at examination). You will need to say why each modification will make the Core Strategy Review legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.	

Please note in your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions. After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?(*) (Delete as appropriate)	No, I do not wish to participate in hearing session(s)
Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:	

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination

Please use this space to continue any of your answers.
