

Erewash Core Strategy Review Examination

Draft Hearings Programme

This document sets out the programme of hearing sessions for the examination of the Erewash Core Strategy Review. Further information about the examination, hearings and submission of written statements in response to Matters, Issues and Questions have been published alongside this programme.

Only people who are seeking to change the Core Strategy Review and have made duly made representations have a right to participate in the hearing sessions. However, people will be able to observe the hearings.

The programme sets out which topics will be discussed on each day. If you wish to be heard at the hearings you must confirm this in writing with the Programme Officer **no later than 12:00 midday on Friday 3 November 2023**, even if you indicated in your original Regulation 19 representation that you wanted to participate. If the Programme Officer does not receive written confirmation it will be assumed that you do not wish to speak at the hearings. You should only request to speak at a session if you have made a representation seeking a change to the Core Strategy Review relating to that topic.

Each hearing session will be topic based, not necessarily by policy number. Participants should therefore check that they have been allocated the correct session. Please contact the Programme Officer if you are unsure.
