Description
<p>A farmhouse and attached outbuilding, built before 1835. The farmhouse is built of handmade brick, faced in render. It has dentillated eaves beneath a gabled concrete pantile roof. The two storey front elevation has a central entrance door flanked by elongated window openings; these contain aluminium windows. An outbuilding, attached to the rear wing of the farmhouse, is built of handmade brick. The other farm buildings are of no special interest.</p> <p>The farmstead is named on Sanderson's Map of 1835. Buildings that predate the reign of Queen Victoria are considered to have qualities of age that justify their inclusion on the Local List. The building is unlikely to date to before c.1700 (the "brick threshold").</p>
