

PRACTICAL DRIVING ASSESSMENT FOR EREWASH BOROUGH COUNCIL

Unfortunately the Driver & Vehicle Agency (The DVSA) is no longer running its Private Hire assessment for taxi drivers as required by Erewash Borough Council as part of the application process to become a Hackney Carriage/Private Hire driver.

Until a new provider is decided upon to permanently replace the DVSA test it has been decided that in the interim period any new applicants to Erewash Borough Council may undertake any of the practical driving assessments listed below – these will temporarily replace the DVSA driving assessment;

1. The Blue Lamp Trust

Tel: 03337 000157 and say you want to take the Taxi Driving Assessment.

Webpage: www.bluelamptrust.org.uk/
