Dear Mr Birkinshaw

Re: Erewash Core Strategy Review Amendment

Thank you for your notification of the 7th April 2025 seeking the views of the Coal Authority on the above.

The Coal Authority is a non-departmental public body sponsored by the Department for Energy Security and Net Zero. As a statutory consultee, the Coal Authority has a duty to respond to planning applications and development plans in order to protect the public and the environment in mining areas.

I can confirm that we have no specific comments to make on the Core Strategy amendments proposed.

Yours sincerely

Melanie Lindsley
